How the school has developed its objectives:-

The school's current equality objectives represent the school's priorities and are the outcome of a careful review and analysis of data and other information. They also take into account national and local priorities and issues. In particular:-

- The objectives are based on consultation conducted with staff, children, governors and parents and carers and evidence collected and published;
- The objectives are specific and measurable – they meet the school's needs and are achievable;
- The objectives are integrated into the school improvement plan;
- The school will publish its objectives on the school's website;
- The school will report annually to the Governing Body on progress towards achieving the objectives;
- The objectives will be reviewed annually and will be updated at least every four years.
