

Get Online Wythenshawe

Wythenshawe Community Housing Group wants to help you Get Online at home to enjoy all the benefits that the internet can bring!

We are offering a new service to our tenants to provide affordable access to computer equipment through our Recycling Centre.

You can buy:

Computers from £19.99
Laptops from £49.99

Guaranteed to be the cheapest you can buy, you will get:

- a 90 day warranty,
- advice on the cheapest broadband deal for you
- in-home support in getting your device set up and
- ongoing support with training.

If you have any old or broken computer equipment we are willing to collect it, provide a receipt to show you all data has been safely wiped and provide a disk with any photos or files you may want to keep.

To buy or for more information contact us:
