

P.E. SPENDING **INCLUDING** SPORT INITIATIVE FUNDING (£26,696) 2016 - 2017

Provider	Initiative	Cost	Timescale	Impact
TB Sports	<p>Continuation of current excellent practice developing our current staff.            TB ,AN &amp; JS have worked alongside staff. Provision of demonstration lessons, peer planning, peer lesson delivery and approaches to assessment. Staff to observe /work alongside to receive quality, targeted CPD.-aim to provide higher standards in the delivery of PE-sustained over a long period. Staff will also be supported on a more regular basis with planning their own sessions, using ideas demonstrated from previous sessions and the effective structure of lessons. Class cover needed to support CPD.</p> <p>Rack House P.E. scheme is based on pupils progressing abilities, on-going assessment and increased participation within intra-school and inter school competition.</p> <p>The continuation of the scheme, supported by AN is used to help provide sustained activity and developing pupils' knowledge and understanding of the benefits of exercise and healthy lifestyles. This feeds into our PSHE scheme for children.</p> <p>The PE scheme also provides formative assessment and feedback for teachers and pupils to aid progression and identify the developing needs and future targets of the pupils.</p>	£7,200	September 2016 – July 2017 38 weeks	<p>All teachers are supported in PE lessons through peer planning and teaching.</p> <p>Teachers have stated in QAs that they feel more confident to deliver their own PE lessons and to provide higher quality teaching in this subject.</p> <p>All children receive a minimum of 2 hours PE each week. Classes are supported in structured curriculum lessons.</p> <p>We now have more children playing for sports teams as we have 2 football teams for boys and girls.</p>

Rack House	Inter-school small tournaments hosted at MHA during the day for a range of sports with a sports cluster group- medals, certificates, staff cover- to encourage sports participation and competition.	£1000	Autumn, Spring & Summer football tournaments	Pupil's participation, enjoyment, competition. Pupils are able to experience successes during inter school competition and receive suitable rewards for their achievements. Stronger relationships are developed between schools our cluster.
Jacko Sports	Sports Tuition across all lunch times	£5,000		All children provided with access to sports coaches at lunch times to improve general fitness, sporting skills and ensure behaviour is good. Golf has also been taught to year 6 pupils this summer term. 22 children have now taken up golf.
Jacko Sports and A Nilan	Participation in Manchester Sports Clusters. Supporting and helping to guide the development of sport in the local authority. Sports coach attends with children and ensures most competitive outcomes for the children.	£4,000	September 2016-July 17	RH is recognised as a school that supports PE and sport in school and is pro-active in attending and supporting intra and inter school competition on a regular basis. The school attended south Manchester Tennis competition for the first time and came second overall which was an outstanding achievement. The boys football team won The South Manchester League.

MUFC/MCFC	Professional football coaching sessions Staff CPD		September 16- July17	Excellent coaching provided by outside specialists. Both premier league clubs coaches are invited into school where greater knowledge of disabled sports has been appositive result. As a result the Year 5 children held an assembly for the school, created a sports challenge where pupils were sponsored and raised monies for disabled sports.
MLA	Expertise swimming Instructor/bus cost	£4,000	Year 4 30 sessions in total	Year 4 children receive swimming sessions during academic year.
Jim McCoy	Breakfast club coach to deliver sessions for 1 hour per day to ensure children are vitalised for the day.	£2,496	Constant	To increase the sports available to pupils and to ensure a healthy start to the school day.
Jacko Sports/ A Nilan	Participation in Inter school competitions from the School Sports Competition calendar. Includes teaching cover for staff and transport costs.		September 2016 - July 2017	An increase in a range of sports also encourages the increase in a range of inter school competitions. To enable pupils from all year groups to participate and to experience intra school competition. The school now competes in football, cross country running, rugby and Golf with outside schools.
	Resourcing PE curriculum Range of new equipment to fully resource	£3,000	Autumn term audit	PE resources and equipment have updated and relevant to the various

	<p>existing sports delivery and enhance the subject with new sports equipment, e.g. table tennis equipment, suitably sized team football kit for both key stages, etc.</p>			<p>units taught throughout the school year.  The range in new equipment acquired improves the opportunities for delivery and quality of lesson.  Each year group is consistently provided with various clubs each lasting a minimum of 5 weeks at a time.  Extra-curricular activities are mostly physically active.</p>
--	--	--	--	--

We had 5 children attend the Manchester finals for cross country running having performed so well on Saturday runs which were organised by A Nilan.

The football team won the South Manchester League.

The school came second in the South Manchester Tennis championship.

The Year 6 children attended a Golfing competition.

Year 5 children produced an assembly to raise awareness in school of disabled sports and held a sponsored sports competition to raise monies to donate.

We have 4 sports after school clubs per week which are all well attended.

The school receives a Sports Grant of £9,000 p.a to spend funding on the children to ensure sports takes place in school. The school spends £26,696 and the impact has seen rack House children achieve sporting success within the school cluster and also at a local authority level.
